A FIREPLACE THAT MATCHES YOUR DNA

"At Element4 we have a clear ambition: to make the impossible come true. We love to think outside of the box. This results in a wide range of innovative fireplaces with powerful designs and beautiful flame pictures. It is precisely this combination that ensures that our brand is loved worldwide by design enthusiasts and architects alike.

Our promise? A fireplace with great features that will enhance any interior. We hope that this brochure will convince you of that too."

POWERFUL DESIGN

At Element4 we have a strong predilection for design. That makes our fireplaces especially loved among those who share the same passion. That is why we can say 'the fireplace that matches your DNA'.

BIG IN INNOVATION

As a Dutch company technology is important to us as a matter of principle. With an Element4 fireplace you benefit from the most advanced technical features.

- **efficient in use**
- **remote controlled**
- **adjustable flame picture**
- **can be installed using Element4's Powerfan system**

GORGEIOUS FLAME

Our gas fireplaces are known for their realism; thereby bringing the atmosphere of a real fire into your home. Our electric fireplaces are equally stunning.

A modern living room interior featuring a large, textured stone fireplace with a glass-enclosed fire. In front of the fireplace is a low, rustic wooden coffee table. To the right, a light-colored sectional sofa is positioned against a white wall. A large window on the left side of the room offers a view of the outdoors. A cowhide rug is partially visible in the foreground. The text "ATTENTION TO DETAIL FOR THAT PERFECT LOOK?" is overlaid on the right side of the image, enclosed in a green curved graphic element.

ATMOSPHERIC DINING ROOM

Why enjoy a fireplace in the living room alone? Nothing is better than dining or having a drink next to an Element4 feature fireplace. In our collection you will find various fireplaces that are perfect for any dining room.

THE TUNNEL FIREPLACE AS A ROOM DIVIDER

Would you like to enjoy the flames and the warmth of a fireplace in two different rooms? Then choose a tunnel fireplace from Element4. With beautiful tunnel fireplaces in our range you can create a stylish partition without losing that open connection between rooms.

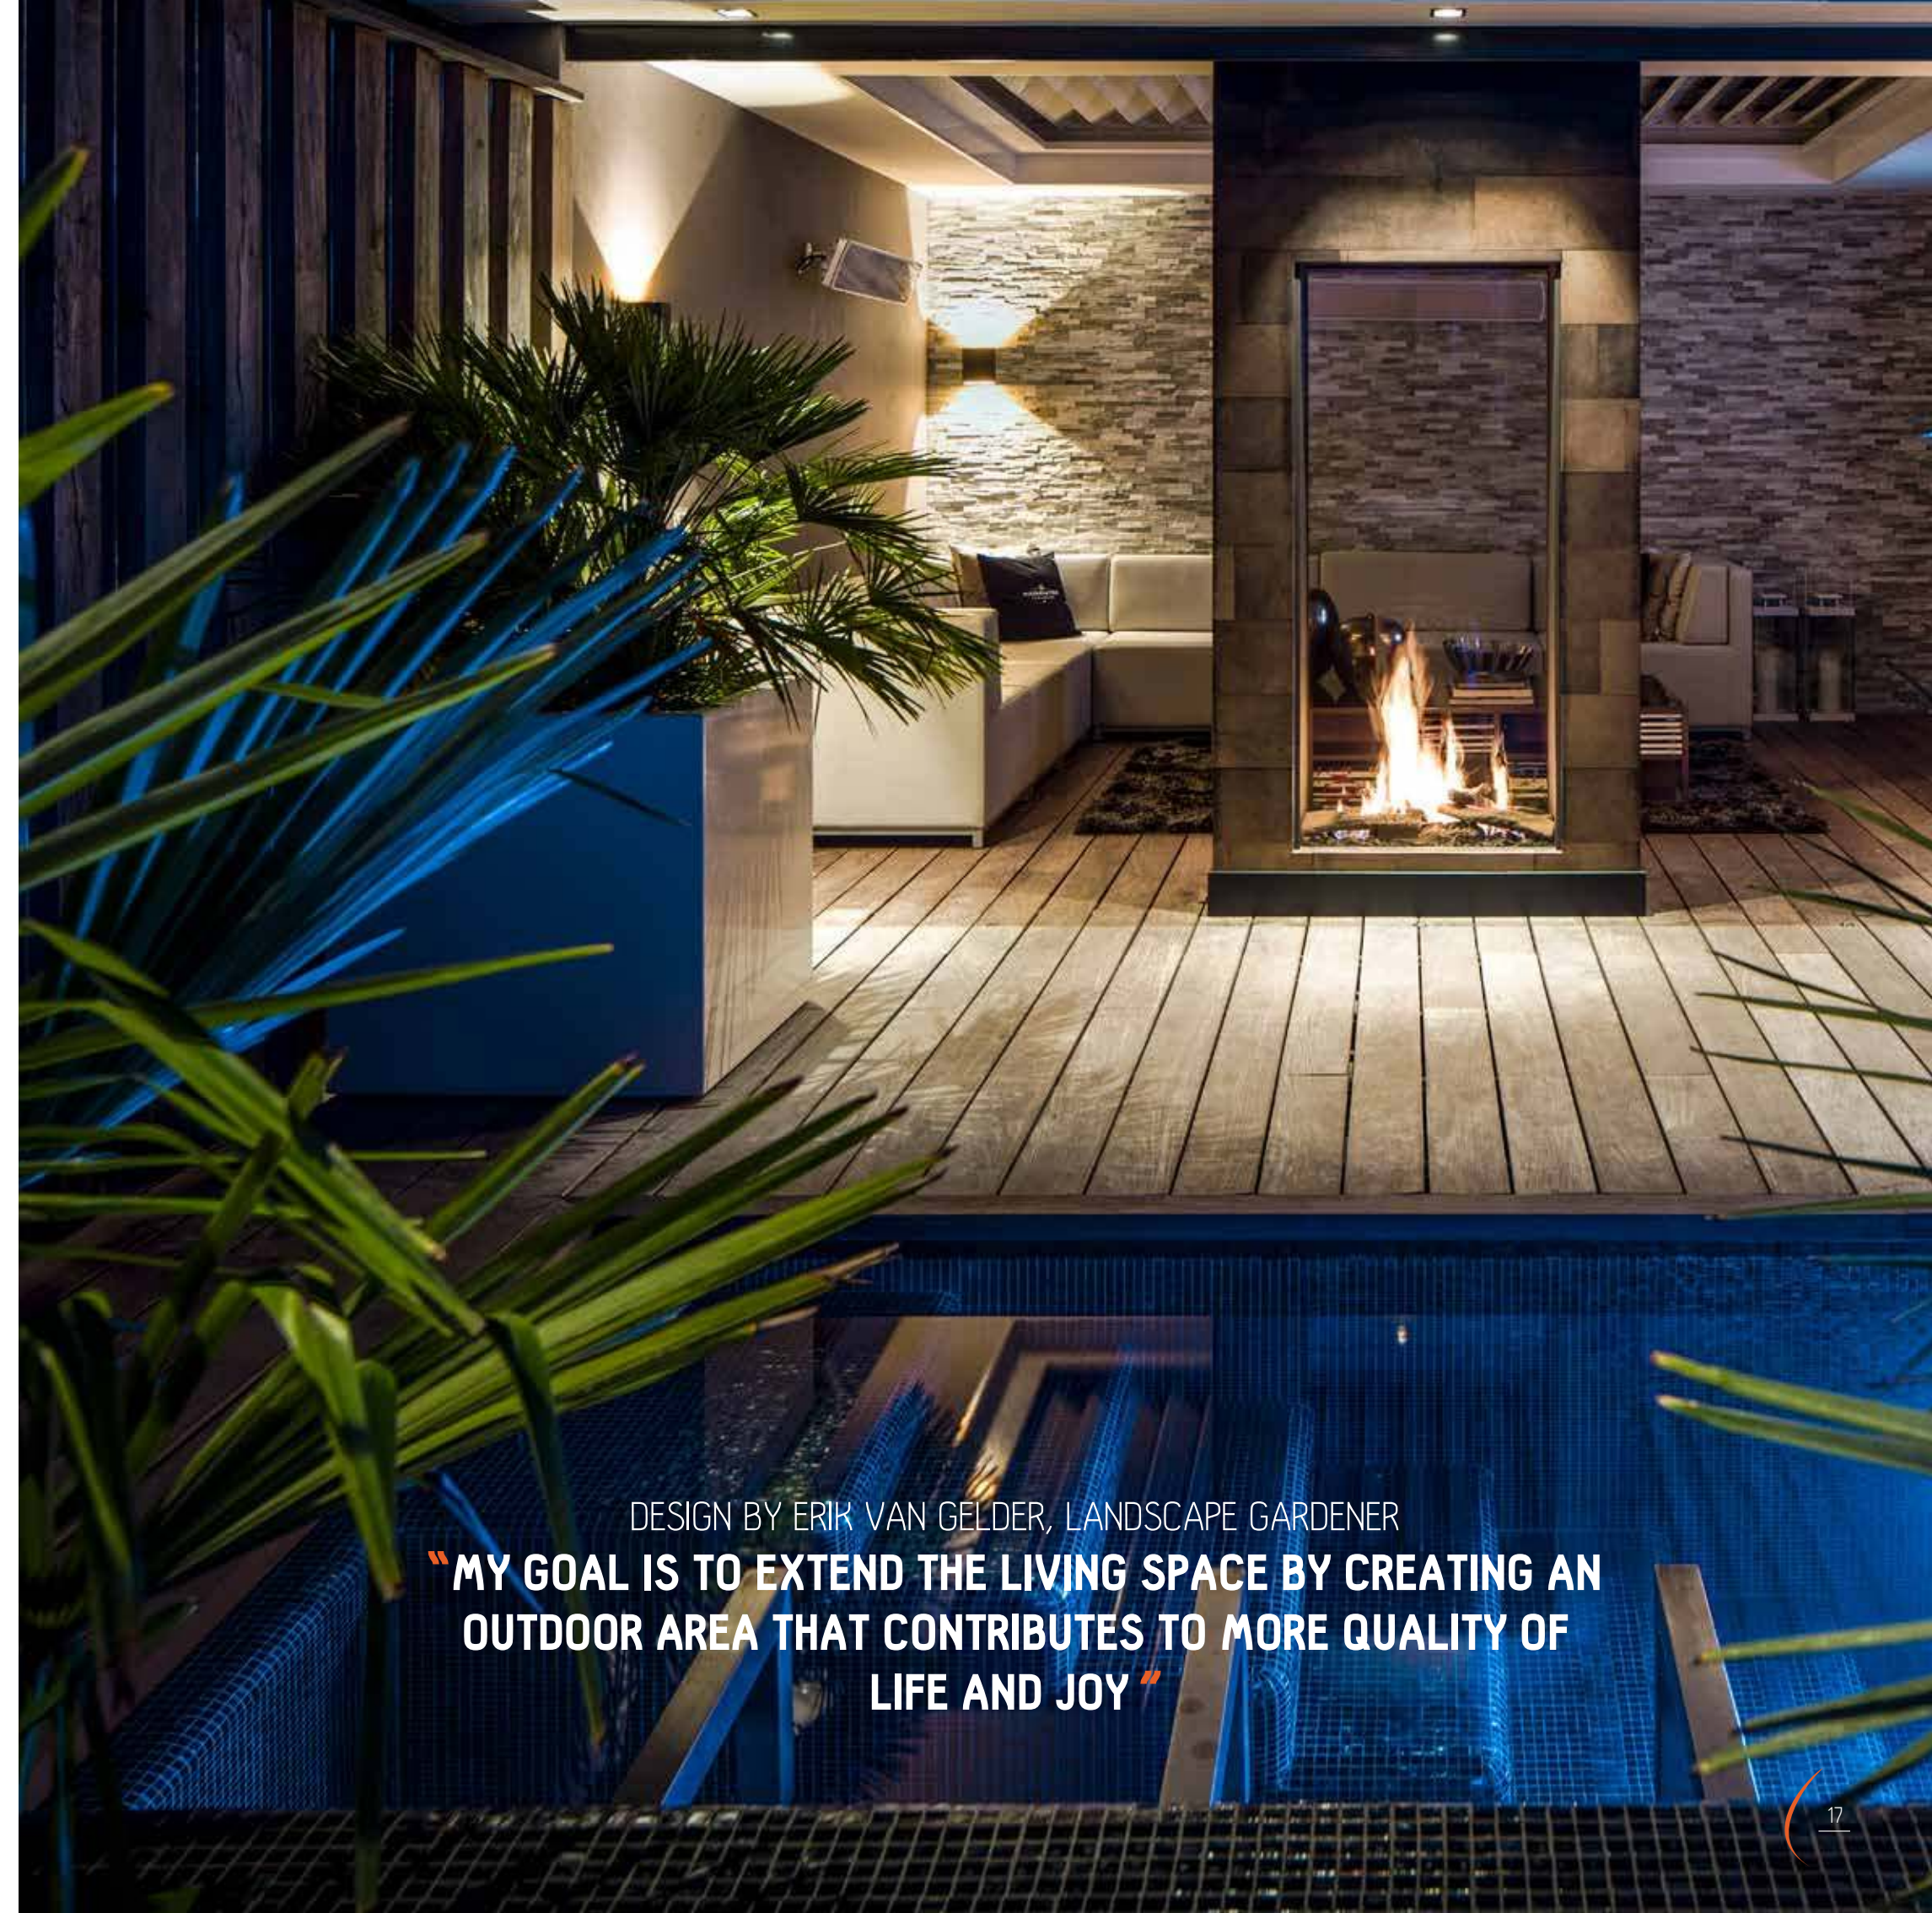

MAGIC COMBINATION IN YOUR LIVING ROOM

Enjoy your favourite TV series and a cozy fireplace in your living space: a perfect combination. The good thing is that our landscape fireplaces can be perfectly combined with a TV.

A WARM AMBIENCE IN YOUR GARDEN

Long summer evenings or cool autumn afternoons: with an outdoor fireplace enjoy your garden, patio or terrace to the fullest extent.

IT'S NOT A HOME WITHOUT A FIREPLACE

With an Element4 fireplace a room has warmth, atmosphere and tells you that you are home.
